

ORDINANCE 515

CITY OF LACEY

AN ORDINANCE RELATING TO THE INSTALLATION OF WATER AND SEWER LINES, THE ACCEPTANCE OF SAID LINES BY THE CITY, A REVISION OF THE FRONT FOOTAGE WATER CONNECTION CHARGE, AMENDING SECTIONS 13.52.015, 13.52.020, 13.56.010 TO THE LACEY MUNICIPAL CODE AND ADDING A NEW SECTION, 13.52.040, TO THE LACEY MUNICIPAL CODE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LACEY, WASHINGTON, as follows:

Section 1. Section 13.52.015 of the Lacey Municipal Code is hereby amended to read as follows:

"The special connection charge required by Section 13.52.010 shall be at the rate of ~~five-dollars~~ \$5.50 per front foot of the property to be served."

Section 2. Section 13.52.020 of the Lacey Municipal Code is hereby amended to read as follows:

"(a) Extensions of a permanent main constructed in accordance with city standards may be made by privately financed contract or by local improvement district procedures. Prior to the award of contract for a privately financed project, the developer for whom the mains are being constructed must make the necessary arrangements with the city and enter into a contract satisfactory to the city.

"(b) The transfer of any mains to the city shall be on the condition that the owner, district, company, constructor or developer shall furnish, transfer or provide for any necessary and proper franchise. ~~Upon approval of the city council (by ordinance where prior ownership exists in a legal entity other than a private party),~~

Section 3. There is hereby added to the Lacey Municipal Code a new section, 13.52.040, to read as follows:

"Those provisions of Sections 13.52.020 and 13.52.030 of this chapter shall apply to the extension of the city's sewerage lines in the same manner as said sections apply to the extension of the city's water lines."

Section 4. Section 13.56.010 of the Lacey Municipal Code is hereby amended to read as follows:

"(a) All persons, firms, corporations and municipal departments handling street work such as grading, filling, paving, trenching for sewers, culverts, conduits, etc., shall give the water department at least eight days' written notice in advance in case it becomes necessary during the progress of the work to remove, displace, adjust or change any water mains, pipes, fitting, meters, gate valves or other water works appurtenances that may interfere with the progress of the work.

"(b) Damage to any part of the water distribution system shall make the person, firm, corporation or municipal department responsible, liable to the water department for the cost of necessary repairs and replacements.

"(c) In no case shall sanitary sewers or sewer laterals be constructed and laid parallel and within ~~five~~ ten feet horizontally from any water main ~~or water service pipe~~. Water service lines shall not be laid closer than one foot horizontally or one foot above building sewer lines.
