

ORDINANCE NO. 619

AN ORDINANCE OF THE CITY OF LACEY, WASHINGTON, APPROVING AND CONFIRMING THE ASSESSMENTS AND THE ASSESSMENT ROLL IN UTILITY LOCAL IMPROVEMENT DISTRICT NO. 9 FOR THE CONSTRUCTION OF CERTAIN IMPROVEMENTS WITHIN THE CITY AND LEVYING AND ASSESSING THE AMOUNTS THEREOF AGAINST CERTAIN PROPERTY AS SHOWN ON THE ASSESSEMNT ROLL.

WHEREAS, notice of the time and place of hearing on the assessment roll for Utility Local Improvement District No. 9 ("ULID No. 9") of the City of Lacey, Washington (the "City") was duly and regularly given to all property owners within LID No. 9 by publication thereof and by mailing to all property owners in the manner provided by law; and

WHEREAS, at the time and place fixed for the hearing the City Council met and duly considered the assessment roll and all protests filed by owners of property within ULID No. 9 against the roll and after consideration thereof, determined to order the roll confirmed as presented, except as provided below;

NOW, THEREFORE, BE IT ORDAINED by the City Council of the City of Lacey, Washington, as follows:

Section 1. The assessments and assessment roll of ULID No. 9 as presented to the City Council at a public hearing thereon, held on May 28th, 1981, are hereby approved and confirmed, except for the modifications noted on Exhibit A attached hereto and incorporated herein.

The assessment roll shall be modified to incorporate the foregoing changes.

The aggregate amount of the assessment roll as finally approved is \$ 1,379,465.11.

Section 2. Each of the lots, tracts, parcels of land and other property included within ULID No. 9 and listed upon the assessment roll is hereby declared to be specially benefited by the improvements therein in at least the amount of the assessment

levied against the same, and the several assessments are hereby found to be in proportion to the benefits received by the various lots, tracts, parcels and other property assessed. The amount finally charged against each such lot, tract, parcel of land and other property appearing upon the assessment roll is hereby levied and assessed against the same.

Section 3. Each assessment or any portion thereof may be paid at any time within thirty (30) days from the date of the first publication of notice that the assessment roll has been placed in the City Finance Director's hands for collection without penalty, interest or costs and thereafter the sum remaining unpaid, if any, shall be payable in twenty (20) equal annual installments with interest on the whole unpaid sum at the rate of 14 percent per annum; provided, however, that at the time of passage of the ordinance authorizing the revenue bonds of the City to be secured by the assessments levied within ULID No. 9, the City Council may, within such ordinance, reduce the foregoing interest rate to a rate which is not less than one percent (1%) greater than the rate borne by said revenue bonds. One year from the expiration of such 30-day prepayment period, and annually thereafter, one of the installments, together with interest on the unpaid installments, shall become due and shall be collected as provided by law. All assessments levied within ULID No. 9 shall be paid into such revenue bond fund as may be specified by the City Council for the payment of such revenue bond to defray the cost of the improvements within ULID No. 9. Annual installments may be prepaid in the manner provided by law.

Section 4. If any one or more of the provisions of this ordinance shall be declared by any court of competent jurisdiction to be contrary to law, then such provision shall be null and void and shall be deemed severable from the remaining provi-

sions of this ordinance and shall in no way affect the validity of the other provisions of this ordinance.

Section 5. This ordinance shall become effective five days from and after its passage, approval and publication, as provided by law.

PASSED by the City Council of the City of Lacey, Washington, at a regular meeting thereof and approved by its Mayor on the 28th day of May, 1981.
