

ORDINANCE NO. 976

CITY OF LACEY

AN ORDINANCE ADOPTING STANDARDS FOR MANAGEMENT OF ACCESS TO STATE HIGHWAYS WITHIN THE CITY OF LACEY AND ADDING A NEW SECTION 12.36.040 TO THE LACEY MUNICIPAL CODE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LACEY, WASHINGTON, as follows:

Section 1. There is hereby added to the Lacey Municipal Code a new section, 12.36.040 to read as follows:

Those certain standards regulating the opening of new access points to State highways adopted by the Washington State Department of Transportation and contained in WAC 468-51 and WAC 486-52 and the administrative processes set forth in said chapters as the same relate to permitting by Cities, are hereby adopted to govern access to State highways located within the City of Lacey. Should there arise a conflict between the standards set forth in said chapters and the standards set forth for arterial streets in sections 12.36.010 through 12.36.030 the provisions setting forth the strictest standards shall apply to such State highways. No additional fees shall be charged by the City for such permits solely by virtue of the fact that said access is to a State Highway.

Section 2. This Ordinance shall become effective after its passage, approval and publication as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF LACEY, WASHINGTON, this 28TH day of October, 1993.
