

RESOLUTION 1076

CITY OF LACEY

A RESOLUTION DECLARING PUMP TECH, INC. TO BE THE SINGLE SOURCE OF SUPPLY FOR THE PURCHASE AND INSTALLATION OF CERTAIN EQUIPMENT.

WHEREAS, The City of Lacey operates a comprehensive water system which serves both Lacey and its Urban Growth Area; and

WHEREAS, two of the city's well sources at the City's Hawks Prairie water facilities site, (Source 19 (HP Well 1) and Source 31 (HP Well 2)), have experienced sanding; and

WHEREAS, sanding could reoccur due to pump backflow surges which would destabilize the sediments adjacent to the well screen; and

WHEREAS, a temporary submersible pump has been identified to effectively prevent backflow surges in the well; however, the pump was not sized for the needed flow and did not meet other necessary long-term parameters; and

WHEREAS, long-term pump design parameters have been developed and only one pump, the Peerless 7-stage 12LD Pump, has been determined to meet all of the necessary design elements; and

WHEREAS, only Pump Tech, Inc. can supply and install the Peerless 7-stage 12LD Pump and necessary appurtenances; and

WHEREAS, RCW 39.04.280(1)(a) provides that competitive bid requirements may be waived by the governing body of a municipality for purchases that are clearly and legitimately limited to a single source of supply; and

WHEREAS, Pump Tech, Inc is clearly and legitimately the sole source for all services related to the purchase and installation of the necessary Peerless 7-stage 12LD Pumps.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LACEY, WASHINGTON as follows:

1. Based upon the preceding legislative findings, the City Council hereby declares that the purchase and installation of the Peerless 7-stage 12LD Pumps is clearly and legitimately limited to a single source of supply and that the sole source of that supply is Pump Tech, Inc.

2. Based upon the preceding legislative findings, and pursuant to RCW 39.04.280(1)(a), the competitive bidding requirements for the City of Lacey are hereby waived and the City Manager is authorized to sign a contract with Pump Tech, Inc. for the purchase and installation of the Peerless 7-stage 12LD Pumps.
