

RESOLUTION 181

CITY OF LACEY

WHEREAS, a portion of the residents of the unincorporated territory contiguous to the City of Lacey surrounding Long Lake has expressed a desire that an election be held among the qualified voters of said area on the question of annexing said area to the City of Lacey and the creation of a community municipal corporation as witnessed by the filing of petitions for said election on June 21, 1972, with the City of Lacey, and

WHEREAS, it would be in the best interests and general welfare of the City of Lacey that the contiguous unincorporated territory surrounding Long Lake and described below, be annexed to the City of Lacey and in the best interests of the citizens of said unincorporated area that a community municipal corporation be created and that the City of Lacey pay the cost of an election amongst the qualified voters of said area upon said issues, and

WHEREAS, the only general obligation bonded indebtedness of the City of Lacey is for fire equipment, which indebtedness is approximately equal to the indebtedness to which the area proposed to be annexed is subject as a part of Fire District No. 3 and, thus, it would not be fair nor equitable to require the assumption of said bonded indebtedness, NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL AND MAYOR OF THE CITY OF LACEY as follows:

upon the question of whether said described territory should be annexed to the City of Lacey and as part of said annexation proposition, that there be submitted to said voters the question of whether or not there shall be created simultaneously with said annexation, a community municipal corporation to serve the area

described above and the election of community council members as provided for in Revised Code of Washington 35.14.010 through 35.14.060.

Section 2. That the number of voters residing within the area proposed to be annexed is as nearly as may be stated, 656.

Section 3.
