

RESOLUTION 510

CITY OF LACEY.

A RESOLUTION MODIFYING THOSE CERTAIN POLICIES ESTABLISHED BY RESOLUTION NO. 474 REGARDING EXTENSION OF WATER AND SEWERAGE SERVICES.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LACEY, WASHINGTON, That those certain policies established in Sections 1 and 2 of Resolution No. 474 of the city regarding the extension of water and sewerage to areas outside of the city shall be modified to read in their entirety as follows:

1. The owners of all properties which lie outside of the boundary lines of the City of Lacey shall, prior to being served by either the water or sewerage systems of the City of Lacey, execute the proper legal documents committing said property to be annexed to the City of Lacey either as an individual parcel annexation or by being joined with other properties in an annexation request, provided, the requirements of this paragraph shall not apply to individual lots within subdivisions which have been approved by the city for such city utility services prior to the passage of Resolution 474 without the imposition of such requirements.

The Director of Public Works shall, upon the execution of said legal documents by the owners of property which is contiguous to the city, notify the City Council and upon said notification, the City Council shall make a determination as to whether annexation

proceedings should be commenced for the parcel of property involved or whether annexation proceedings should await the joining of other properties in order to present a more logical annexation boundary.
